- * 4-H Updates

4-H Ag Olympics – Crow Peak Valley Rangers

Old Time Games – Horseshoe 4-H Club

Paint supplies for the fairgrounds buildings

Can a club add any color to the buildings, for example, green to the edges of a barn? Are there historical guidelines that must be adhered to?

If there is significant damage to a building or area of which a 4-H club is assigned to – who is responsible for paying for repairs. I told the leader, not the 4-H club.

For the building signs, would there be any funds for purchase of a plasma cutter that all of the clubs can use? And to have on hand for future projects?

Are there any plans for other food vendors to come in?

Next meeting will be on Monday, May 3rd, 2021 at 6:30pm

– The Stadium, Belle Fourche
