

Notification of Reappraisal Summer of 2024

The Butte County Equalization office will be inspecting property from May until October. This year we will be doing reappraisal in Township 7&8 Range 1-4. If no one is home we will do an external inspection only, verifying measurements, quality and condition of the structures on the property, and taking updated pictures. A tag will be left asking the property owner to contact the Equalization Office to ensure property data is correct.

This reappraisal will be reflected in your assessment sent out March of 2025. Please contact our office with any questions you may have.

Respectfully Submitted:
