

Notification of Reappraisal Summer of 2019

The Butte County Equalization office will be inspecting property from June until October. This year we will be doing reappraisal in Newell, and out in Township 9. If no one is home we will do an external inspection only, verifying measurements, quality and condition of the structures on the property, and taking updated pictures. A “while you were out” pink tag will be left asking the property owner to contact the Equalization Office to ensure property data is correct.

This reappraisal will be reflected in your assessment sent out March of 2020. Please contact our office with any questions you may have.
