

Notification of Reappraisal Summer of 2022

The Butte County Equalization office will be inspecting property from May through October. This year we will be doing reappraisal in Belle Fourche. If no one is home, we will do an exterior inspection only, verifying measurements, quality, and condition of the structures on the property, and taking updated pictures. We will leave a "While You Were Out" tag, asking the property owner to call our office to verify property information.

This reappraisal will be reflected in your assessment notice that you will receive in March of 2023. Please contact our office if you have any questions.
